Subject: Revised Kentucky State Regulation Status Sheet
Attachments: Kentucky revised SRS.docx

Good morning Jerry, please see the revised Kentucky State Regulation Status sheet attached. This was revised to add clarifying notes regarding Kentucky's adoption of NRC regulations by reference for certain RATS IDs that were included in our review of the final regulations Kentucky submitted in February 2019. These revisions were for clarification purposes only. Let me know if you note any errors or mischaracterizations.

Thanks,
Michelle
