Santiago Rodriguez, Chief
Radiation Control Bureau
New Mexico Department of Environment
P.O. Box 5469
Santa Fe, New Mexico 87502-5469

Dear Mr. Rodriguez:

We have reviewed the final revisions to the New Mexico Administrative Code Sections 20.3.1, 20.3.3, 20.3.4, 20.3.5, 20.3.7, 20.3.12; and, 20.3.15, received by our office on June 15, 2017. These regulations were reviewed by comparison to the equivalent U.S. Nuclear Regulatory Commission (NRC) rules and the requirements of Regulation Amendment Tracking System Identification Numbers (RATS IDs) 2011-1, 2011-2, 2012-1, 2012-2, 2012-3, 2012-4, 2013-1, and 2013-2 as identified in the enclosed State Regulation Status (SRS) Data Sheet. We discussed our review of the regulations with Mr. Michael Ortiz on August 4, 2017.

As a result of our review, we have 14 comments that have been identified in the enclosure. Please note that we have limited our review to regulations required for compatibility and/or health and safety. We have determined that if these regulations are revised, incorporating our comments and without other significant change, they would meet the compatibility and health and safety categories established in the Office of Nuclear Material Safety and Safeguards (NMSS) Procedure SA-200, "Compatibility Categories and Health and Safety Identification for NRC Regulations and Other Program Elements."

We request that when you revise your regulations to address our comments, a copy of the "as published" regulations be provided to us for review. As requested in NMSS Procedure SA-201, "Review of State Regulatory Requirements," please highlight the location of any changes made by New Mexico, in response to our comments, and provide a copy to Division of Material Safety, State, Tribal, and Rulemaking Programs, NMSS. The SRS Data Sheet summarizes our knowledge of the status of other New Mexico regulations, as indicated. Please let us know if you note any inaccuracies, or have any comments on the information contained in the SRS Data Sheet. This letter, including the SRS Data Sheet, is posted on the NMSS State Communication Portal: <https://scp.nrc.gov/rulemaking.html>.
