Dear Mr. Owen:

We have reviewed the final revisions to the Ohio regulations in Ohio Administrative Code Chapter 3701:1-44, "*Licensing Requirements for Source Material*," received by this office on February 24, 2006, which were submitted in response to our June 27, 2005 correspondence regarding the proposed version of these rules. These regulations were reviewed by comparison to the equivalent Nuclear Regulatory Commission (NRC) regulations in 10 CFR Part 40 and the requirements of the one amendment identified in the enclosed State Regulation Status (SRS) Data Sheet.
