

UNITED STATES  
NUCLEAR REGULATORY COMMISSION  
WASHINGTON, D.C. 20555-0001

December 12, 2023

Tera Patton, Director  
Radiation, Toxics & Indoor Air Division  
Office of Environmental Health Services  
Department of Health & Human Resources  
350 Capitol Street, Room 313  
Charleston, WV 25301

SUBJECT: WEST VIRGINIA PROPOSED ENABLING LEGISLATION

Dear Tera Patton:

We have reviewed the proposed revisions to the West Virginia Proposed Enabling Legislation received by our office on November 28, 2023. This legislation was reviewed by comparison to the Council of State Governments Suggested State Legislation, 1983, Volume 42, and NMSS procedure SA-700, *Processing an Agreement*.

As a result of our review, we have no comments. Please keep us informed of any changes to the legislation. This letter will be posted on the NMSS State Communication Portal:  
<https://www.nrc.gov/agreement-states/west-virginia.html>.

If you have any questions regarding our review or the Suggested State Legislation used in the review, please contact my staff at [AgreementStateRegs.Resource@nrc.gov](mailto:AgreementStateRegs.Resource@nrc.gov).

Sincerely,

A handwritten signature in cursive script, appearing to read "Adelaide S. Giantelli".

Signed by Giantelli, Adelaide  
on 12/12/23

Adelaide S. Giantelli, Chief  
State Agreement and Liaison Programs Branch  
Division of Materials Safety, Security, State,  
and Tribal Programs  
Office of Nuclear Material Safety  
and Safeguards
