ALL AGREEMENT STATES

CHANGES IN THE AGREEMENT STATE PROGRAMS BRANCH – PERSONNEL
AND CONTACT INFORMATION CHANGES (STC-14-106)

Purpose: To provide the Agreement States with the upcoming changes to the Agreement State Programs Branch (ASPB) personnel and new e-mail resource addresses.

Background: Training e-mail address: ASTrainingandtravel.Resource@nrc.gov
Agreement State Regulation Reviews e-mail address: AgreementStateRegs.Resource@nrc.gov

Discussion: Please join me in congratulating Brenda Usilton, Kathleen Schneider and Dennis Sollenberger on their upcoming retirement from ASPB. Brenda will be retiring December 3, 2014. Kathy and Dennis will retire on January 2, 2015. Between them, Brenda, Kathy and Dennis have over 100 years of experience in working with the States in a variety of issues, including travel, low-level waste, uranium mills, Integrated Materials Performance Evaluation Program and regulation reviews. Their efforts on all of our behalf will be missed at the U.S. Nuclear Regulatory Commission.

In addition, over the past year, several additional staff members have joined ASPB; Marcia Casby, Beth Doolittle, Joe O'Hara, and David Spackman (see individual contact information on <http://nrc-stp.ornl.gov/stpdirectr.html>). With the retirement of key personnel in the training and regulation area, specific e-mails have been established for these areas independent of the staff assigned to the area. The training and resource e-mail has been in use successfully this year. The Agreement State Regulations e-mail was established last month and we urge all regulation review submittals and questions be addressed to the above e-mail. This e-mail address will be monitored by ASPB and is listed <http://nrc-stp.ornl.gov/regcontacts.html> in the Regulation Toolbox.
