(Non-Agreement States may obtain passwords for the Technical Conference Forum from the Conference of Radiation Control Program Directors.) The draft is marked: "OFFICIAL USE ONLY - SENSITIVE INTERNAL INFORMATION - NOT FOR PUBLIC DISCLOSURE."

Due to their predecisional nature, the draft is exempt from public disclosure under NRC rules. Therefore, we request that you limit distribution to your staff and not release the draft publicly. Please see the Office of State and Tribal Programs web page at <http://www.hsrdo.ornl.gov/nrc/procedures/sa800.pdf> for additional information about the distribution and use of predecisional information.
