ADDITIONAL CONTACT INFORMATION FOR U.S. DEPARTMENT OF HOMELAND SECURITY RADIOACTIVE MATERIALS LICENSES (FSME-08-062)

Purpose: To inform you of an additional contact for the U.S. Department of Homeland Security (DHS) radioactive materials licenses.

Background: DHS has three radioactive materials licenses issued by the U.S. Nuclear Regulatory Commission (NRC). Each license has a radiation safety officer responsible for the activities authorized on that license.

Contents: DHS informed NRC of the appointment of Mr. Carl Overstreet as the DHS Radiation Safety Officer, responsible for managing DHS's radiation safety program. Mr. Overstreet is tasked with oversight responsibilities for the various NRC licenses held by DHS. DHS has requested that Mr. Overstreet be copied on all correspondence, including inspections and licensing issues.

NRC is informing you of this appointment in the event of interactions with DHS regarding questions about licensees and authorized activities that are in your jurisdiction. Mr. Overstreet's contact information is:
