ALL STATES AND STATE LIAISON OFFICERS

**REORGANIZATION OF THE DIVISION OF MATERIALS SAFETY AND STATE AGREEMENTS, OFFICE OF FEDERAL AND STATE MATERIALS AND ENVIRONMENTAL MANAGEMENT PROGRAMS (FSME-08-090)**

**Purpose:** To provide information regarding a reorganization of the Division of Materials Safety and State Agreements, Office of Federal and State Materials and Environmental Management Programs.

**Discussion:** The Division of Materials Safety and State Agreements (MSSA), Office of Federal and State Materials and Environmental Management Programs (FSME) has been reorganized to provide improved leadership and organizational structure to address materials program challenges, including security, and concurrently allow FSME to maintain its mission focus on public health and safety.

The Division of Materials Safety and State Agreements established two Directorates, with two branches within each Directorate. A flow chart with the organizational structure and responsible manager for each group is enclosed. State Liaison activities are still coordinated within the Division of Intergovernmental Liaison and Rulemaking and will not be impacted by this reorganization.
