NOTICE OF ANNUAL ORGANIZATION OF AGREEMENT STATES (OAS) AND
CONFERENCE OF RADIATION CONTROL PROGRAM DIRECTORS (CRCPD) COMMISSION
BRIEFING (FSME-10-046)

Purpose: To provide notice of the Annual Organization of Agreement State/Conference of Radiation Control Program Directors (OAS/CRCPD) Commission Briefing to be held at the U.S. Nuclear Regulatory Commission (NRC) Headquarters, Commissioners' Conference Room, located in the One White Flint North Building, Rockville, Maryland, on August 12, 2010, from 9:30 – 11:00 am EST.

Background: The Annual OAS/CRCPD Commission Briefing provides an opportunity for the OAS and CRCPD Executive Boards to inform the Commission of radioactive materials policy and regulatory issues of concern and mutual interest. The Annual OAS/CRCPD Commission Briefing originated from an annual letter that was presented to the Commission following an OAS Annual Meeting. The Annual OAS/CRCPD Commission Briefing is now used in place of the annual letter.

Discussion: The purpose of this briefing is to discuss with the Commission nuclear issues and activities and to gain valuable perspective into each party's programs, policies, and concerns. The participants in the briefing usually include the Chair, Chair-elect, and past Chair of the OAS and the CRCPD. The Annual OAS/CRCPD Commission Briefing is a public meeting and will also be accessible for viewing via the World Wide Web. It will be webcast from the NRC web site at: <http://www.nrc.gov/public-involve/public-meetings/webcast-live.html>. Viewers are encouraged to visit the site in advance of the scheduled day of the briefing to verify that their computer system contains the appropriate software for viewing the briefing. The web site contains information on the software necessary for viewing and where to obtain system upgrades to allow webcast viewing. If you would like to attend the briefing at the One-White Flint North Building, please inform the point-of-contact listed on page 2, so that we can pre-register you in NRC's security system to obtain prompt onsite access to the One White Flint North Building.
