NUCLEAR REGULATORY COMMISSION
WASHINGTON, D.C. 20555-0001

(FSME-13-117, November, Training, New Training Dates)

November 6, 2013

ALL AGREEMENT STATES

NEW DATES FOR TRAINING COURSES POSTPONED DUE TO GOVERNMENT
SHUTDOWN (FSME-13-117)

Purpose: To provide new dates for training courses postponed due the government shutdown.

Discussion: NRC's Technical Training Center (TTC) has rescheduled the training classes postponed due to the government shutdown. Students already scheduled to attend the above classes will be given the opportunity to attend the rescheduled session. Brenda Usilton will contact the affected students to determine their availability to attend the rescheduled training session.

If there are additional seats available to the Agreement States for the rescheduled sessions, a separate announcement will be sent to all Agreement States to solicit additional students interested in attending the session.*

In addition, the webinar originally scheduled for October 17, 2013 on Performance Based Inspection training has been rescheduled for December 5, 2013. A separate FSME letter will be issued with additional details.

The new dates for the postponed classes are as follows:

Root Cause Workshop (G-205) – October 7-11, 2013
New Date: December 16-20, 2013

Safety Aspects of Industrial Radiography (H-305) – October 21-25, 2013
New Date: January 27-31, 2014

Environmental Monitoring Course (H-111) – October 21-25, 2013
New Date: April 14-18, 2014

*This information request has been approved by OMB 3150-0029 expiration 11/30/2013. The estimated burden per response to comply with this voluntary collection is approximately 8 hours. Send comments regarding the burden estimate to the Records and FOIA/Privacy Services Branch (T-5F52), U.S. Nuclear Regulatory Commission, Washington, DC 20555-0001, or by Internet e-mail to infocollects@nrc.gov, and to the Desk Officer, Office of Information and Regulatory Affairs, NEOB-10202 (3150-0029), Office of Management and Budget, Washington, DC 20503. If a means used to impose an information collection does not display a currently valid OMB control number, the NRC may not conduct or sponsor, and a person is not required to respond to, the information collection.

FSME-13-117

2
