ACCEPTANCE TO THE MATERIALS CONTROL & SECURITY SYSTEMS &
PRINCIPLES COURSE (S-201) (FSME-14-059)

Purpose: To provide the list of students selected for the U.S. Nuclear Regulatory Commission (NRC) Materials Control & Security Systems & Principles Course (S-201).

Background: The NRC provides the list of students and instructions to the States to help ensure that States with candidates on waiting lists will have an opportunity to fill vacated slots that may open up after this notification letter has been sent.

Discussion: Enclosure 1 is the list of students from the States selected to attend the August 11 - 15, 2014, Materials Control & Security Systems & Principles Course in Chattanooga, Tennessee. Please provide the list of students and the instructions (Enclosure 2) to each individual from your program that is on the list. Also enclosed, for your information, is a tentative schedule for the course (Enclosure 3). Students attending this course will be paid travel and per diem by the NRC. Please inform us of any cancellations 30 days prior to the course start date. This will allow us to ensure that States with candidates on the waiting list have an opportunity to fill vacated slots that may open up after the course acceptance letters have been transmitted.
