NEW YORK (DEC)	Anwar Hossain

INSTRUCTIONS TO STUDENTS

ACCEPTANCE: Individuals listed in Enclosure 1 have been accepted for participation in the Advanced Health Physics (H-201) Course. This course is scheduled to be presented July 20-24, 2020, provided by instructors from Oak Ridge Associated Universities (ORAU), Virtually.

COURSE: The course begins at 9:00 a.m. eastern time on Monday, July 20, 2020, and ends at 3:00 p.m. eastern time on Friday, July 24, 2020.

All course materials will be located on a course website in the NRC's [Collaborative Learning Environment](#) (CLE). Students will be notified when the course materials are posted in the CLE and given instructions on how to access them at that time.

Course lectures will be delivered using the WebEx software, so you will need a computer with a dependable internet connection (and preferably Chrome as your browser). You will also need a speakerphone, a webcam, or a headset with a mic in order to hear and communicate with the instructors. Prior to the course, you will receive an email with a link to the WebEx meeting.

Further instructions, including course schedule, will be provided via email to selected students.
