ALL AGREEMENT STATES

NOTIFICATION OF ACCEPTANCE TO THE ADVANCED HEALTH PHYSICS (H-201)
COURSE (STC-20-063)

Purpose: To provide notification to the States of students selected to attend the U.S. Nuclear Regulatory Commission's (NRC's) virtual offering of the Advanced Health Physics (H-201) Course to be held November 2-6, 2020.

Background: The NRC provides funding to the Agreement States for training and the associated travel.

Discussion: Students selected to attend the November 2-6, 2020, virtual offering of the Advanced Health Physics (H-201) Course are provided in Enclosure 1. Please provide this notification to each individual from your program that has been accepted to this course. Detailed guidance for students will be provided at least 2 weeks prior to course start.

INSTRUCTIONS TO STUDENTS

ACCEPTANCE: Individuals listed in Enclosure 1 have been accepted for participation in the virtual offering of the Advanced Health Physics (H-201) Course. This course is scheduled to be presented November 2-6, 2020, provided by instructors from Oak Ridge Associated Universities (ORAU).

COURSE: The course begins at 9:00 a.m. eastern time on Monday, November 2, 2020, and ends at 3:00 p.m. eastern time on Friday, November 6, 2020.

All course materials will be located on a course website in the NRC's [Collaborative Learning Environment](#) (CLE). Students will be notified when the course materials are posted in the CLE and given instructions on how to access them at that time.

Course lectures will be delivered using the WebEx software. Students will need a computer with a dependable internet connection (and preferably Chrome as your browser). Students will also need a speakerphone, a webcam, or a headset with a mic in order to hear and communicate with the instructors. Prior to the course, students will receive an email with a link to the WebEx meeting.

Further instructions, including course schedule, will be provided via email to selected students.
