Rule 1

P New §31.5(c)(11) - Information be provided upon request

P Basis for first round of registration

P Used for miscellaneous requests after second rule

P Basis for requesting information on devices no longer in possession of the GL (thus not subject to registration)

P Final rule published in Federal Register on August 4, 1999 (64 FR 4269)
Rule 2 - Overview

- Clarifies which sections Part 30 apply for all Part 31 GLs
- Adds and clarifies requirements for all §31.5 GLs
- Adds specific provisions for §31.5 GLs subject to registration
- Adds and clarifies requirements for vendors
Rule 2 - Primary Revisions
For All §31.5 General Licensees

- Requires Gl's to appoint Responsible Individual (RI)
- Adds change of address reporting (company name change)
- Adds to report made when site taken over by new GL, requirement for RI information and serial number
- Adds to report of transfer to specific licensee, requirement for recipient’s license number, serial number, and date of transfer
- Restricts length of time allowed for storage only (2 years) and defers testing during storage
Rule 2 - Revisions for General Licensees Subject to Registration

P Adds details of registration

<Criteria for devices to be registered
– 370 MBq (10 mCi) Cs-137
– 3.7 MBQ (0.1 mCi) Sr-90
– 37 MBQ (1 mCi) Co-60
– 37 MBq (1 mCi) Transuranics

<Information required, upon registration

P Adds registration fee ($420)
Rule 2 - Revisions for Vendors

Revises contents of quarterly material transfer reports
- Adds model numbers, serial numbers and information on devices returned for replacement to vendors’ quarterly reports
- The name and phone number of the RI will replace a simple contact between the Commission and the GL

Address specified as mailing address for location of use

Additional labeling requirements

Revises vendor recordkeeping

Revises content and timing of information to be provided by vendors to customers
