Dear Mr. Walker:

Data Sheet. We discussed our review of the regulations with Mr. Salifu Dakubu on November

that we have limited our review to regulations required for compatibility and/or health and safety.

without other significant change, they would meet the compatibility and health and safety categories established in the Office of State and Tribal Programs (STP) Procedure [SA-200](#).

“Review of State Regulatory Requirements,” please highlight the location of any changes made

If you have any questions regarding the comments, the compatibility and health and safety categories, or any of the NRC regulations used in the review, please contact Kathleen Schneider, State Regulation Review Coordinator at 301-415-9320 (e-mail: kxs@nrc.gov), or Andrea Jones at 301-415-9309 (e-mail: arj@nrc.gov).
