

July 11, 2006

David J. Allard, CHP, Director
Bureau of Radiation Protection
Department of Environmental Protection
Rachael Carson State Office Building
P.O. Box 8469
Harrisburg, PA. 17105-8469

Dear Mr. Allard:

We have reviewed your May 5, 2006 e-mail in response to our December 13, 2005 regulation review letter which identified necessary revisions and recodification due to the Part 71 rule revision and six rule amendments that have become due and will need to be adopted since the 2003 review.
