Dear Mr. Schmidt:

We have reviewed the final revision to the Wisconsin radiation protection rules, Chapter WFS 157, "Radiation Protection," and the changes you made to address the letter we sent you on November 27, 2002, received by our office on November 21, 2006. These regulations were reviewed by comparison to the equivalent Nuclear Regulatory Commission (NRC) rules in 10 CFR Parts 20, 30, 32, 34, 35, 36, 39, 61, and 71 and the requirements of the five amendments identified in the enclosed State Regulation Status (SRS) Data Sheet. We discussed our review of the regulations with Cheryl Rogers on January 8, 2007.

As a result of our review, we have 10 comments that have been identified in the enclosure. Please

Mr. Paul Schmidt, Chief
